DATE: May 4, 2020

TO: Honorable Mayor and Members of the City Council through City Manager

FROM: Ken Savano, Chief of Police and Ron Klein, Police Lieutenant

SUBJECT: Resolution Authorizing the Purchase of Fifty-Four Sig Sauer M400 Rifles and other Associated Equipment in the Amount Not to Exceed $79,439.76, and Authorizing the City Manager to Execute All Documents Necessary to Complete the Purchase

RECOMMENDATION

It is recommended that the City Council adopt the attached Resolution Authorizing the Purchase of Fifty-four Sig Sauer M400 Rifles and other Associated Equipment in an Amount Not to Exceed $79,439.76 and Authorizing the City Manager to Execute all Documents Necessary to Complete the Purchase.

BACKGROUND

The proposed action is for the replacement and addition to existing Police Department Patrol Rifles. Currently the Police Department has eight patrol rifles that were purchased over fifteen years ago. In addition, the Police Department also has an additional eight patrol rifles acquired through the Law Enforcement Support Office (LESO) 1033 Program. These rifles were military surplus and over twenty-five years old when they were acquired, both of which require replacement.

Currently the Police Department is funded for sixty-six sworn personnel. The Patrol Division has forty-nine of these positions assigned to uniformed patrol. The Patrol Division is comprised of two patrol lieutenants, six sergeants and forty-one officers. In addition, the Investigations Team has one sergeant and five detectives. The Traffic Team also has one sergeant and six officers assigned to uniformed traffic safety duties. There are also four other sworn positions assigned to Administration, including two lieutenants, the Deputy Chief, and the Police Chief.

In 2019 the Police Department submitted a Grant Application to the Edward Byrne Memorial Justice Assistance Grant Program and in September was awarded $15,857.00. This amount will allow the Police Department to purchase ten replacement patrol rifles. The purchase of these fifty-four rifles, in addition to the ten purchased through the Edward Byrne Grant, will allow the Police Department to equip each patrol officer, sergeant, detective, traffic officer and all sworn members of administration with a personally assigned dependable patrol rifle that has become standard issued equipment in law enforcement.
Patrol rifles have been steadily increasing in their deployment among police agencies throughout the country. The Petaluma Police Department has had patrol rifles in the Patrol Division since 1999. In 1999, public outreach was performed to make the community aware of equipping patrol officers with rifles and the importance of this safety equipment. Since the implementation of rifles at the Police Department, a Patrol Rifle Policy has been adopted and continuously updated to reflect the latest in Federal and State Law, in addition to best practices for training and deployment. This also includes the appropriate situations in which the rifles may be deployed and the proper way the rifle is to be transported and stored in a patrol vehicle. The Petaluma Police Department has rifle instructors certified by the Peace Officers Standards and Training (P.O.S.T.). Additionally, in 2018 the Police Department became certified with P.O.S.T with providing a Certified Patrol Rifle Course, enabling the Police Department to train each of its officers in the proper use and deployment of patrol rifles without the need to send officers to other locations for this training. This also includes ongoing training for officers who have become P.O.S.T. certified in the proper use and deployment of patrol rifles.

When the Police Department began authorizing patrol rifles in 1999, sworn personnel purchased their own rifles. Except for the sixteen Police Department owned patrol rifles, most sworn personnel are still purchasing and carrying their own rifles to ensure they are able to carry a vital piece of equipment while on-duty. With patrol rifles becoming standard operating equipment for law enforcement, this equipment needs to be departmentally issued to sworn personnel. The purchase of these patrol rifles will not only provide our sworn personnel with required equipment but will also ensure the standardization of the patrol rifles deployed within the City of Petaluma.

While there has been debate on the militarization of municipal police departments and concern over equipment issued to its personnel, law enforcement in the United States has increasingly responded to incidents involving citizens armed with equally powerful rifles. While Petaluma Police Department officers are equipped with department handguns it is important to understand that handguns of all calibers are simply a defensive weapon and not suitable as an offensive weapon when facing an adversary carrying a similar firearm or rifle.

It is imperative that police officers be equipped with rifles that not only will provide them with the ability to defend themselves but also stop threats to the community it serves. These threats are increasingly occurring at businesses, schools and large community gatherings. In addition to several large businesses in City, we have three high schools, three alternative high schools, fourteen junior high and elementary schools, and we are host to numerous community events. Three of these events include the Butter and Egg Day Parade, Veterans Day Parade, and Cruisin the Boulevard Car Show. These events annually draw crowds in excess of 100,000 people collectively. Large event gatherings such as these have become increasingly targeted with violence necessitating the need for properly equipping police personnel with appropriate equipment such as patrol rifles to protect the community.
DISCUSSION

The rifles currently owned by the Police Department are at a minimum fifteen years old. They are used routinely for department training and have conservatively had over 10,000 rounds of ammunition fired through them. The prior military surplus rifles, procured through the 1033 Program, have had significantly more use. All of the rifles are beyond their useful life based on their age and the number of rounds fired through them and should be replaced.

The cost of the patrol rifles and the needed accessories warranted a formal Request for Proposal (RFP) public bid, in accordance with the City of Petaluma Municipal Code Chapter 4.04. The Petaluma Police Department released the RFP on February 18, 2020 and it closed on March 10, 2020. The lowest bid was from Proforce Police Products in the amount of $79,439.76. Adamson Police Products bid was $82,047.48, and LC Action was $94,909.88. Please refer to the attached quotes for details of the price of the Sig Sauer M400 Rifles and associated equipment.

FINANCIAL IMPACTS

The total cost for the fifty-four Sig Sauer M400 Rifles is $79,439.76 including taxes and fees. Sufficient budget exists within the FY 20 Police Department cost center to cover this purchase. The Police Department originally was going to seek funding for sixty-four rifles. Through researching available grant funding, the Police Department was able to obtain ten of the sixty-four rifles through grant funding from the Fiscal Year 2019 Edward Byrne Memorial Justice Assistant Program. This grant funded $15,416.86 for ten Sig Sauer M400 Rifles and associated equipment.

PART 1- INTRODUCTION

The City of Petaluma ("the City") is seeking through this Request for Proposals (RFP) bids for The Petaluma Police Department Patrol Rifles and Accessories Procurement.

The overall objective of this RFP is to find a highly qualified and licensed vendor to provide a complete proposal for all specific equipment set forth in this RFP.

This bid provides for the procurement of Fifty-Four (54) Patrol Rifles (AR-15 style) along with several standard rifle accessories. Full details are provided in Part 6 of this RFP.

The awarded vendor will be required to enter into a contract with the City of Petaluma. The insurance requirements are listed at the end of this RFP labeled Exhibit B.

PART 2-BACKGROUND

Currently the Police Department is funded for 72 sworn personnel. 44 of these positions are assigned to patrol. There are 2 patrol lieutenants, 6 sergeants and 36 officers assigned to patrol. In addition, the Investigations Unit has 1 sergeant and 5 detectives. The Traffic Unit also has 1 sergeant and 5 officers assigned to it. There are currently 2 School Resource Officers assigned to Petaluma High Schools.

The objective is for the replacement and addition to existing Petaluma Police Department Patrol Rifles. Currently the Police Department has 8 patrol rifles that were purchased over 15 years ago. In addition, the Police Department also has 8 patrol rifles acquired through the Law Enforcement Support Office (LESO) 1033 Program. These rifles were military surplus and over 25 years old. Both the purchased rifles and rifles acquired through the 1033 Program are antiquated and need replacement.

Patrol Rifles have been steadily increasing in their deployment among police agencies throughout the country. The Petaluma Police Department has had patrol rifles in the Patrol Division since 1999. In 1999 community outreach was performed to make the community aware of equipping patrol officers with rifles and the importance of this safety equipment. Since the implementation of rifles at the Police Department a Patrol Rifle Policy has been adopted and continuously updated to reflect the latest in Federal and State Law in addition to best practices. This also includes the appropriate situations in which the rifles may be deployed and the proper manner in which the rifle is to be transported and stored in a patrol vehicle. The Petaluma Police Department has Certified Peace Officers Standards and Training (P.O.S.T.) Rifle Instructors. Additionally, in 2018 the Police Department became certified with P.O.S.T as a Certified Patrol Rifle Course, enabling the Petaluma Police Department to train each of its
officers in the proper use and deployment of patrol rifles without the need to send
officers to other locations for this training. This also includes ongoing training for officers
who have become P.O.S.T. Certified in the proper use and deployment of patrol rifles.

When the Petaluma Police Department began authorizing patrol rifles in 1999, sworn
personnel purchased their own rifles. With patrol rifles becoming standard operating
equipment for law enforcement, this equipment needs to be departmentally issued to
sworn personnel. The purchase of these patrol rifles will not only provide our sworn
personnel with required equipment but will also ensure the standardization of the patrol
rifles deployed within the City of Petaluma.

PART 3-RFP SCHEDULE AND PROCESS

Request for Proposal Published: **Tuesday February 18, 2020**

Questions may be asked via email by sending them to Police Department Management

*Petaluma, CA 94952*

Fax submissions will not be accepted.

Any proposal not delivered by **3:00pm on Tuesday, March 10, 2020** will be disqualified.

A team has been selected by the Chief of Police to evaluate the proposals submitted.
Proposals will be evaluated by the designated evaluation team.

All proposals will be public records upon conclusion of the evaluation process at the
point in time when the Chief of Police is prepared to recommend award of a contract by
the City Manager.

PART 4-DEFINITIONS
City is defined as the City of Petaluma, a municipal government.

Vendor is defined as an entity that meets the requirements listed under minimum qualifications.

Bidder is defined as the entity responding and applying for this solicitation.

PART 5-PREPARATION AND REQUIREMENTS OF BIDS

The intent of the City is to seek a Vendor to provide a complete proposal for the listed equipment in the appropriate quantities. The Petaluma Police Department requires the equipment meet ALL the specifications listed in Part 6 of this RFP. The Petaluma Police Department requires the bidder to fill out the attached price sheet.

Bidders are expected to examine specifications and instructions. Failure to do so will be at the bidder’s risk.

Bids that are incomplete or do not meet the City of Petaluma’s specifications may be rejected.

Responsible Bidder: The contract will be awarded to the responsible bidder whose proposal is determined to be most advantageous to the City, based on the evaluation criteria set forth in the RFP.

Cancellation: The RFP may be cancelled by the City of Petaluma at any time for any reason. Any proposal received may be rejected in whole or in part when in the best interest of the City of Petaluma.

Receipt of Proposal: It is solely the responsibility of the bidder to assure the timely receipt of its proposal at the location indicated in the bid announcement. Late proposals will not be accepted.

Vendor’s Representations: Each vendor/bidder, by submitting a proposal, represents that they have read and understood the RFP documents and has submitted their proposal in accordance therewith; and that the proposal has been submitted by a duly authorized representative of that vendor.

The following items must be included in all proposals:

1. Price Sheet- equipment plus all taxes and shipping costs
2. Federal licensing to sell Firearms
3. Proof of General Liability Insurance
4. Acceptance of City’s Contract Agreement
PART 6- EQUIPMENT REQUIREMENTS

It is required that only new, high-quality, industrial grade, rigorously proven equipment is provided for all aspects of this project. **No end of life, repaired, rehabilitated, refurbished or other inferior equipment** will be accepted.

- **Magpul MS1 MS3 QD Adapter Black Quick Detach (MAG517BLK)**

PART 7-MINIMUM VENDOR QUALIFICATIONS

Bidders/Vendors must meet the following minimum qualification in order to be considered responsive and assessed in the evaluation process. Any submitted proposal that does not demonstrate that the Vendor meets these minimum qualifications, may be considered non-responsive and will not be evaluated nor eligible for award.

Bidders/Vendors are required to have the necessary federal licensing in order to sell or manufacture NFA restricted firearms.

The City of Petaluma requires the awarded vendor to enter into a contract with the City of Petaluma.

PART 8- SELECTION PROCESS

An evaluation committee will be selected by the Chief of Police. After the bids are evaluated, the top-rated bidders may be invited to make a presentation, if deemed necessary.

The evaluation and award of this bid shall be based on a combination of factors including but not limited to the following: price, completeness of proposal, i.e., the
degree to which it responds to all requirements and request for information contained herein, vendor’s demonstrated capabilities and qualification, compliance with the City of Petaluma’s specifications and any other factors considered to be in the City’s best interest.

PART 9- DELIVERY

The awarded vendor shall deliver the products directly to the Petaluma Police Department at:

Petaluma Police Department

Change of Address (27 CFR 478.52). Licenses may during the term of their current license remove their business or activity to a new location at which they intend regularly to carry on such business or activity by filing an Application for an Amended Federal Firearms License, ATF Form 5300.3B, in duplicate, not less than 30 days prior to such removal with the Chief, Federal Firearms Licensing Center. The application must be executed under the penalties of perjury and penalties imposed by 18 U.S.C. 924. The application shall be accompanied by the license's original license. The license will be valid for the remainder of the term of the original license. (The Chief, FFLC, shall, if the applicant is not qualified, refer the application for amended license to the Director of Industry Operations for denial in accordance with § 478.71.)

Right of Succession (27 CFR 478.56). (a) Certain persons other than the license may secure the right to carry on the same firearms or ammunition business at the same address shown on, and for the remainder of the term of, a current license. Such persons are: (1) The surviving spouse or child, or executor, administrator, or other legal representative of a deceased license; and (2) A receiver or trustee in bankruptcy, or an assignee for benefit of creditors. (b) In order to secure the right provided by this section, the person or persons continuing the business shall furnish the license for the business for endorsement of such succession to the Chief, FFLC, within 30 days from the date on which the successor begins to carry on the business.
